Hey, is it allowed to brag about a award i just got?

Stashy - June 14, 2016, 10:44 am

Why would you? It's just a random award with no real meaning behind it if I'm correct. Doesn't make you better than any other member, doesn't make you lesser than any other member. It's just a random badge.

Well, anyways, here's rule one of the Bragging Rights section:

1. No bragging about any HF stats such as reps, posts, awards or thread views.
