Quote:LAKE BUENA VISTA, Fla. —Deputies are searching for a child who officials said was dragged into the water by an alligator near a Walt Disney World resort Tuesday night.

The child, who is about 2 years old, officials say, was dragged into the Seven Seas Lagoon near Disney's Grand Floridian Resort & Spa around 9:30 p.m., sheriff's office spokeswoman Rose Silva said.

Deputies have taped off the scene and are searching the waters.

The child has not yet been found.

Witnesses as well as Florida Fish & Wildlife officials reported that the alligator could have been up to 7-feet-long.

Pretty sad, hopefully they can find the toddler.

Sorry to say, but the child is in the alligator's stomach, of course they won't find him.

Indeed it is sad, and will cause the place to lose quite the rep, but how the fuck does something like this happen?
