Thread: [Twitter Famous - Get More Impressions, Followers, Likes and Retweets on Twitter](#)

hello im me - June 15, 2016, 1:30 pm

Twitter Famous

Don't have a fancy thread design (yet)

This is a method to gain tons of exposure to your Twitter account(s). You will get more impressions, followers, likes and retweets on Twitter.

It's Easy to set up

Everyone can do it

Can be done for nearly any niche

Example from a account i set up 3 days ago has already over 50k Impressions and is rapidly growing.

This method does not involve Buying fake followers

Buying any type of ads or shoutouts

Even if you are completely new to Twitter this will work.
