Huuge vouch! This method actually works and isnt one of those bullshit threads that users set up and get hella sales! Idk why this is so cheap lmao.

Omoi - June 15, 2016, 4:01 pm

Woah a gurl wid a dats legit vouch good luck

Seasonal - June 15, 2016, 5:13 pm

The amount of vouches this eBook is getting simply because OP is a girl but yet no one has

reviewed and went in depth on anything.

Guess I'll buy it later and see how "true" this is.

ALSO: OP you have few mis-spelled words in your thread design. - Not a important/big deal but thought you might of missed them or something.
