Thread: [Samurai Champloo Sketch Finished](#)

iworkthefast - June 16, 2016, 9:47 am

My friend made the sketch I photoshopped the hell out of it I could do better so anyone can recommend something! Tell me what you like and don't and I'll try to improve!

(Can someone post it as reply since I cant post pic's Thanks!)

postimg.org/image/y1k2jdb4h/

My youtube: youtube.com/channel/UCF9x1IkSzgLvqOUBzpeO9gQ

I'll be posting the vid within 2 hours I'm compressing the video right now!

Anyways thanks guys for checking it out! I will maybe post more I'm working on one of the girls from highschool DXD ill post it soon!

ankitkhosya - June 16, 2016, 7:51 pm

For OP who cant post images?

Coloring is quite good while Sketch is okay for a amateur.

DerMensch24 - June 16, 2016, 8:15 pm

Agreed with anki, still a decent drawing though. Keep up the practicing though and you're sure to keep improving. ;)

iworkthefast - June 16, 2016, 9:34 pm

Check out the video for this image: youtube.com/watch?v=SiCZJ6bKbnY

Its not the full video but i got the other half i needed to do! Im uploading one on a sketch on luffy they did. Its almost done bieng exported from adobe premiere

ALSO I DO NOT DRAW SKETCHES I USE SKETCHES EITHER PEOPLE SEND AND OR I FIND ONLINE! ANY SKETCHES I POST ON MY YOUTUBE I MAKE NO MONEY AT ALL.
