Thread: [This idiot needs to go. Extreme Reputation Abuse.](#)

Krule - June 16, 2016, 8:27 pm

The user [Factor9™](#) is abusing his reputation abilities, and has a lovely picture of Omni's avatar with a swastika on his forehead.

Bluffer - June 16, 2016, 8:29 pm

Good job reporting this idiot. Looks like a multi who has managed to keep his account for 90 days.

Also, why did you post that in this thread? You're the one that went bullistic giving revenge reps to everyone that negged you the minute you got Ub3r.

For a sec, I thought it was TLDR!, rofl

The GRim - June 16, 2016, 8:38 pm

He(asuhdude), Jillie Boe and Spooky Black are Billie Joe's personal bitches lol. They all needs to go. I would be more than happy to gain some proof that they are all multis but the name itself should make it obvious.

Lmfao the only thing tldr is those reps because its the same stuff just given to a different user.
and you can tell he didn't even take the time to find a reason to give those reps because they were minutes apart from each other. If you continue scrolling down his given reps page, it gets worse.

You should rat him out, after all, he'll probably end up getting screwed anyway!

Egregious Jr. - June 16, 2016, 8:47 pm

Lmfao at first I it was me since I was in the picture. Funny. But yeah, I agree with you. I doubt Omni will do anything though since it's not a violation of site policy.

Trust me, He will do something. Even if it's just removing that avatar, he will do it.

That image itself is a form of hate, as well as him impersonating a former staff member just with a change of number.

And multi reps saying people are carders within minutes of each other something will happen.

C Doubt - June 16, 2016, 10:37 pm

their is lots of people like this

Because he's jealous at the fact you have over 1k rep just wants to be a nuisance.

xLelouch - June 17, 2016, 4:37 am

That guy is hilarious.I bet omni will ban him on sight

Anarchist07 - June 17, 2016, 4:59 am

I don't understand why he'd waste his time here when he's clearly not welcome. The disrespect is real though with the avatar.

Roytoy - June 17, 2016, 5:02 am

Oh man, I just saw that he repped me.

Don't even know him. ?

I wonder if this kid is retarded. The swastika is the wrong way. Smh

I do agree with you on that. But still, he could of just pmd staff instead of making a thread

SIM-1729678 - June 17, 2016, 6:44 am

There is no need to make a whole thread regarding this. Next time just report it to a Staff member.

LELhacker324 - June 17, 2016, 6:50 am

Today was a good day for HF.

We learned that Omni is secretly in the KKK or the Gestapo.
