Thread: [Montana of 300's 1 year Feedback thread and Shoutouts](#)

Hey HF, I have been counting down the days and now it has finally come, I am now a one year member!? This may not seem like a big thing to some of you bigger longer "OGs" but I still feel it as an accomplishment ?

I remember when I came to HF as a skid and a LQ member that all I wanted to do was buy booters and gamble, I wanted to have a good time!?

For the longest time, I begged for different amounts to gamble, Like if you see, my post activity was mostly rewards and small favors but then, among all time I realized, HF isn't for constantly begging and for skids, it is a community where you strive to become an independent money maker in you own skills so, at 4 rep (mostly from friends because I was new), I decided to buy l33t, It gave me an outlook on how HF can be in its own quirky ways and Thanks you Omni, It has been a great time so far

Time for shoutouts! (If I didn't include your name, I'm sorry but Pm me and I'll include you in my 1000 post feedback)
