I have much experience in cracking accounts. I can provide a HQ vouch review. Let me know buddy.

I received a vouch copy and I can truthfully say this is the best thing to invest in if you want to start cracking accounts, the instructions are all that's needed and are perfectly explained in the shortest way possible. Completely noob-friendly.

Instructions: 10/10

Layout: (There isn't one as it's a .txt file but I can assure you it does not need one).

Method: 10/10

EXCELLENT stuff man. Best of luck with your sales.

Only 1 vouch copy?

hm. If you wouldn't mind sending an extra vouch copy, I wouldn't mind giving it a read n' HQ review.

Hope you have some different style of cracking, not thrashing. It's your own request.
