Thread: [Cant port foward pls help](#)

ImBasedGod - June 19, 2016, 9:23 am

I have been trying to port forward for an hour or so and cant figure it out. Trying to get Dark Comet to work but the port forwarding part is hard
If someone could get on Teamviewer and help me out that would be great.
Thanks

Thanks
add me on skype i'll help you

Neos07 - June 19, 2016, 9:36 am

If you are interested, pm me or message me on skype: neos07.simo
I could fully setup your rat including the port forwarding and any other issues faced.
