Hi,

I have a new hosting firma where you can host your servers. We sell dedicated server and more. We sell VPS servers.

Link:
launchhost.net

You can contact us form: info@launchhost.net or support@launchhost.net

PS: The home website is only netherlands you can change lang on the customerpanel.

Kind regards,
LaunchHost

Do you give any vouch copies? If yes, I'll take one and write a review.

Vouch copies? It's when you give a few people the product for free so they can verify that the product is worth buying, and not just a scam.
