Thread: [Changes While Realizm is Busy](#)

Motiv - June 21, 2016, 5:32 am

For the time being, until Realizm is back, I'm going to be working on the group alone. My work has been scheduling me for 11:30am-11:30pm most days, so I have no time at all, but I'm gonna request a day off to get everything sorted out. I assure you, this group is not dead.

I'm going to be changing a lot; in the meantime;

- Releasing the server by tomorrow night
- Adding and kick a significant amount of members
- The Skype chat will be removed, we are moving to TS or discord

Good to hear that, can't wait for the server release.

PrivateDonut - June 21, 2016, 7:06 am

I'm glad to hear the group isn't dead, there hasn't been much activity going on lately. I'm looking forward to trying the server out once it releases.

BTCEXchangez - June 21, 2016, 11:33 am

Sir I'll have you know my current signature is a paid advertisement. And I don't have the pm with the signature you made.

DJ Winter - June 21, 2016, 5:12 pm

Okay, when will the discord be open?

EthanX - June 21, 2016, 5:49 pm

Sounds good. Teamspeak please.

Gummy Bear - June 22, 2016, 1:41 am

Might be able to hop on the server here and their can't wait for it. Hopefully it's Discord didn't want to use Skype for that.

Frankey - June 22, 2016, 1:39 pm

Can we vote for teamspeak or disscord? If we can I vote for disscord.

illuminati? - June 22, 2016, 1:48 pm

I vote for ventrilo. Fuck team speak.
