AFTERMATH'S Middleman Service Free & Trusted

Deals I can Middleman

- Bitcoin

- Social Media Accounts

Example of a Accounts Middleman Deal

Member A wants to buy an online account from member B for X amount of BTC. member A would send the X amount of BTC to Me. After I confirm I have received the BTC, member B will send the account details to member A. Member A will then secure the account and let Me know when everything is secured.

After that, I will release the X amount of BTC to member B.

Example of a Currency Exchange Middleman Deal

Member A wants to sell X amount of Paypal for X amount of BTC to member B. member B would send the X amount of BTC to me. I will hold onto the BTC until member A sends the Paypal to member B. Once member B confirms he has received the Paypal, then I will release the BTC to member A. I will not hold onto any Paypal funds whatsoever.

AFTERMATH'S Middleman Service Free & Trusted

Deals I can Middleman

- Bitcoin

- Social Media Accounts

Example of a Accounts Middleman Deal

Member A wants to buy an online account from member B for X amount of BTC. member A would send the X amount of BTC to Me. After I confirm I have received the BTC, member B will send the account details to member A. Member A will then secure the account and let Me know when everything is secured.

After that, I will release the X amount of BTC to member B.

Example of a Currency Exchange Middleman Deal

Member A wants to sell X amount of Paypal for X amount of BTC to member B. member B would send the X amount of BTC to me. I will hold onto the BTC until member A sends the Paypal to member B. Once member B confirms he has received the Paypal, then I will release the BTC to member A. I will not hold onto any Paypal funds whatsoever.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
