Thread: [Djehuty's Fansign Shop | Ass Pics Inside](#)

Djehuty - June 23, 2016, 9:22 pm

TOS:

You will request a fansign, once I approve the request I will send you a PM back saying the approximate date it will be done by. Pictures will be taken at least every Wednesday and Sunday, but quite often we will get back to you quicker. Once I have taken the picture I will send you another PM stating that I have done so, and I will send you a request for the money. Once I get the money you will be sent the fansign via pomf.cat, imgur, or your choice of image uploading site.

You are free to do whatever you would like with the pictures. Use them for ewhore proof, beat off to them, pretend you have a girlfriend and show people. It doesn't matter to me.

None of these pictures are photoshopped. They are all real.

In all seriousness, they are written on a real girl, I could do audio proof or something if you want it.

Also, I have been very very backed up with requests, so anyone that is waiting just stay patient. I am trying to get them all done today. I'm just going in a first come first serve order. She gets most of it. I just cash out the BTC to AGC and she gets things that she wants.

She says shes fine with 50-50, but I probably only take about 25%. I don't need amazon giftcards for anything. So I'll just pull 10 or 20 from bitcoin every now and again.

Thanks for the kind words guys.

Still up and running strong. I'll be getting some of the "other" requests done soon, I just have to go out and buy a few things. For any simple requests such as ass pictures I can get them done very quickly the next few days.
