Sympliotist (-39)Neutral (0): DEAL WITH CAUTION, USER WOULDN'T USE MIDDLEMAN AND TRIED TO TRICK ME INTO GIVING MY PERSONAL INFO. BEWARE, HE HAS FRIENDS THAT WILL TRY TO HELP WITH HIS LIES AND WILL GANG NEG YOU Yesterday, 09:59 PM

I don't even offer a middleman service, nor have I done any deals on HF in almost a year? Do you think I could get this removed as it could affect my future deals if I do decide to do so?

This is blatant abuse of the rep system and it should be dealt with accordingly.
