fair enough - I think she deserved to be arrested.

It's quite a perverted thing to do and in no way is it for womans rights.

? TAQ ? - June 25, 2016, 2:55 am

Not surprised she was arrested, I'm mildly jealous this sort of thing didn't happen to me while I was single, but....woman rights is nice in all, but I'm not voting for them to walk around topless.

1. I'm not interested in seeing certain women topless
2. I don't want to see my family walking around topless, especially my daughter!
3. This isn't appropriate for children to witness.

The main purpose of this campaign which the video OP shared doesn't clarify is that it's "For women who don't wish to be touched/sexualized"

But doing this just sexualizes it. If a "socially hot" dude walks around with abs and his dick semi erect in a glass box and asks people to touch it, there will be chicks all over doing it.

i would have slashed her tits with my switchblade

if this was near me, i would have rubbed a bunch of my Carolina reapers on my hand then touched

her clit and made sure to go in :^)

hand sanitize doesn't neutralize the heat.

gross as fuck regardless,

but i love you, daddy.

:^) seriously wouldn't you do the same?

what kind of fucking message is that sending?

if it was a man with his dick out, doing the same thing, he would have been arrested way quicker.
