Scammer's HF Profile: [Wizzay](#) UID= 873447

We've agreed on 500 usd for stat instagram account multiplay*r. As i'm new around here, i went first. And we've talked with him 3-4 days so i don't even thought a bit that he is a scammer or something...

After i sent him all the btc, he is gone. Doesn't answer anymore.

I know that %99.9 i can't get my money back, but at least you guys can be careful about him.

Super legit dispute.

I can vouch for OP.

Hopefully you get this solved but 99% you probably wont get your money back. So use a mm now and be smarter.

SinChoo - June 26, 2016, 4:11 pm

I Feel bad for you but when doing a big deal like this always use a middleman.

Granny Bacon - June 26, 2016, 4:12 pm

So sad you didn't use a middleman... I hope this idiot feels some kind of remorse and gives you the money back.

I can't believe how someone can go so low to steal that much money from someone else.

Meow - June 26, 2016, 4:12 pm

Legit report, sorry that you got scammed.

Confound - June 27, 2016, 4:29 pm

This definitely sucks, but at this point all deals should be used with a middle man.

1 Gun 2 Clips - June 28, 2016, 11:31 am

I feel sorry for you, check my pm and we can get started ruining him :)

Ni??c??k - June 28, 2016, 11:33 am

As soon as he said: "Sorry, what does b/o mean?"

I would've dipped.

Denitorious - October 3, 2016, 1:28 pm

He's still active and around, so people should be aware of this. Had some ill business with him as well.

Will Grigg - October 3, 2016, 1:33 pm

Did the scammer get repkilled?
