Quote:Kazama Kenji likes to believe he is something of a delinquent. Moreover, others seem to like to agree that he is. Of course, Kenji's gang finds their way to a group of four not-so-normal girls—Chitose, Sakura, Minami and Roka—and all at once, whatever reputation he may have is nothing compared to the outrageous behavior of the girls. Shanghaied into joining their club, what will happen to his everyday life from that point on?

I was bored and decided to give it a try, because I thought it would be a fun Anime to watch and quite entertaining.

10/10, didn't deceive. Went through it in pretty much one evening/night and it was fun to watch as well.

Just finished it, thought it was an interesting anime. Very random but enjoyable, had a few humorous moments but overall was a good watch :3
