Thread: [L33T/UB3R | \\$40 BTC Contest | 1 Week](#)

Novica - June 26, 2016, 3:59 pm

Unfortunately, .Graphic .Resources .isn't .really .an active forum, so in .order .to .get .some .more .activity .there and to get more people to see my new thread, .I've decided to make this contest.

In order to participate in it, all you have to do is post on this thread, and wear one of the following signatures for a week (starting from today, 27.06.2016).....

- Prize #1: \$10
Prize #2: \$5
Prize #3: \$5
Prize #4: \$5
Prize #5: \$5
Prize #6: \$5
Prize #7: \$5

Quote: Alright, so Novica wouldn't let me host this because he's a good guy, but I can't let it slide. This dude makes fabulous art, and not many people are aware of it.

So in order to increase the popularity of this contest, and the chances for every participant, I'll make sure that spots #4, #5, and #6 get \$5 each.

Now spread the love! Victoire

What's unfair? If you're talking about the contest being only for the upgraded members, it's only because non-upgraded ones can't put images in signatures.

The Supreme Leader - June 27, 2016, 12:32 pm
