Here is myanimelist <http://myanimelist.net/animelist/Liquhfy>

I have watched a lot of other things but basically everything on there is what I really liked. Open to all suggestion but try to keep it related to my list although not necessary.

Check out Code Geass and Guilty Crown.

SkullCandy - June 28, 2016, 1:43 am

Death Parade

Tokyo Ghoul Root A (still liked it, haven't read manga)

Dragon Ball

Bungou Stray Dogs

Esdese - June 28, 2016, 5:28 am

Guilty Crown

Also try clicking on the anime you want suggestions based off of in MAL then click "recommendations"
