Thread: [ALL MEMBERS! 8-Ball Pool Hack \[NEVER GET BANNED\] LINE HACK - NO NEED TO PATCH](#)

Targaryen - June 29, 2016, 6:27 am

Hi guys, I have been using this for quite a long time but decided why not release it for everyone!

You will never get banned or detected for this since it does not inject anything into the client like other hacks.

I will include instructions with the file on how to set this up.

If you would like this please PM me for a link so this doesn't get leached. Thanks!
