Shokugeki no Souma: Ni no Sara
Shokugeki no Soma: The Second Plate

Synopsis courtesy of MAL

Ever since he was a child, fifteen-year-old Souma Yukihira has helped his father by working as the sous chef in the restaurant his father runs and owns. Throughout the years, Souma developed a passion for entertaining his customers with his creative, skilled, and daring culinary creations. His dream is to someday own his family's restaurant as its head chef.

Yet when his father suddenly decides to close the restaurant to test his cooking abilities in restaurants around the world, he sends Souma to Tootsuki Culinary Academy, an elite cooking school where only 10 percent of the students graduate. The institution is famous for its "Shokugeki" or "food wars," where students face off in intense, high-stakes cooking showdowns.

As Souma and his new schoolmates struggle to survive the extreme lifestyle of Tootsuki, more and greater challenges await him, putting his years of learning under his father to the test.

I see what you did there.

It's the Anime I anticipated the most. Probably the only one I'll be following weekly, I don't know yet.

I'm a classically trained chef. I don't think it's gay. Eventually, you have to learn to cook for yourself.

I still have yet to watch the first one. Now that the second one is out and people are hyping it up.

Totally meant manga. My original reply was done in a half asleep state and didn't catch that.?

Ang?I - August 3, 2016, 9:19 am

Glad there was finally an episode with some humor mixed in. Don't get me wrong, I've loved the action up to this point but the most recent episode felt like a throwback to season 1.

Spoiler ([Click to View](#))Erina and Souma scenes are by far my favorite. Never a dull moment with those two.

Demonstrate - September 25, 2016, 2:08 am

Looks like it's over? Not sure if the ending meant that the anime is over or what.

skelly76 - September 25, 2016, 1:47 pm
