Thread: [\[30\\$\] Selling 15,000 \(16,500\) AddMeFast Points worth 60\\$ \[+1,500 FREE \]](#)

Netw?rk - June 29, 2016, 12:50 pm

AddMeFast Original price for 12K points is: 60\$
I'm doing it for 30\$.

The points are on my account and I've my own email linked into it, so,
I'll give you my TeamViewer everyday upon request to see by yourself that the points are counting.

Or I can give you the account details but my email will keep linked into it.

Payments: PayPal.

+1,500 Points FREE!

How did you obtain these points?

And are they transferable or do you have to use yours to post etc?

My bad I thought the points were for the AddMe application for iPhone, not the addmefast site.

Good luck with sales buddy!
