Thread: [\[INSTANT PAY\] Earn \\$0.10-\\$10 EACH Survey in BTC or Paypal 5 MINS!](#)

HailFromHF - June 29, 2016, 1:31 pm

UPDATE: If you want to make easy online money follow this thread instead:

<https://hackforums.net/showthread.php?tid=5394807>

UPDATE: I've stopped for the moment, will tell you when I resume.

NOTE: Make sure to NOT get redirected to ANOTHER survey page. Or else the survey won't be marked as complete.

MUST READ:

<http://mrcrackworld.com/other-hacking-tools/how-to-complete-survey-and-unlock-download-tutorial>

This range applies to Western countries (and developed Eastern European/South American ones).

For less developed countries (e.g. India) the range is between \$0.01-\$10.

Completing surveys on a mobile will yield more money.

There are many surveys daily which are on offer, and I pay as soon as the survey has been marked as complete.
