Thread: [Kylie Cosmetics Lip Kit By Kylie Jenner - For Your Girlfriends, Moms, etc](#)

#VapeOn - June 29, 2016, 11:54 pm

I have around 60ish pieces in stock. Out of stock on Kylie's website. Extremely popular brand.

PayPal only. \$30 a piece. Everywhere else you go for this price is either a fake and/or from China.

Hit me up if interested!

The question is, why are you selling them for zero profit? They go for \$30 on release. These are definitely carded.

Are there any proof these are authentic and not a replica?
