Why I think I deserve this: I 've learned so much about the internet and life from Hack Forums and by upgrading me I believe you are really giving me a chance to give back to the community.

Hack Forums lit the fire of my curiosity and has kept feeding it wood ever since. From Hack Forums I learned about C#, Social Engineering, RATting and so much more. I really love my time here and you can be certain that by upgrading me, your money will not be wasted.

I will be participating for Epic.
thanks.

b?xxy - June 30, 2016, 11:45 am

SIM-2015410 - June 30, 2016, 2:25 pm

Nice giveaway Riyu, thanks for doing this ?

I think I deserve to win because I have contributed a lot to HF and it is nice to get something back from the community I have put so much into. My contributions include many tutorials (2 of which got stickies), work on the Omnicoin team and the HFNT, leading 3 or 4 groups on here and being a member of many more, and winning MOTM.

Thanks again for your generosity ?

Spacefiller - June 30, 2016, 2:31 pm

Thanks. All hail the order. Best giveaways all the time, every time.

I gotta say, I figured out how you determine who wins. In your post, you specifically say you must give a reason why you think you deserve the upgrade.

Therefore, my reason is because I'd rather have 3P1C than L33T.

Why? because being epic is better than being elite.

Being epic is being a all-around good person.

Being L33T is being good at things. Good at a lot of things.

EDIT: I got four rep for posting this.

ALL HAIL THE ORDER.

Target™ - June 30, 2016, 4:44 pm

I'd love to enter and win epic thanks for doing this.

Percyi - June 30, 2016, 4:46 pm

Id love to enter for an award. Glad you guys are doing this. GL everyone.

As for why, I haven't received/purchased any awards thus far, but im interesting in starting to build my collection. I do my best to stay HQ and be of as much assistance to the community as I can, and I think deserving people should be awarded for their efforts. That being said, that reasoning allows for dozens of other members to be qualified for an award as well. Regardless, GL to all the HQ people out there :)

Cameron - July 3, 2016, 12:11 am

I think I deserve to win because over the years I've given lots to the site and it's members and expected nothing in return.

My pick, the ETH award. :)
