Thread: [\[Theme\] Steam Theme \[4 Controls\]](#)

cristlol - June 30, 2016, 12:59 pm

4 Controls

☐ Button

☐ TextBox

☐ TabControlSide

☐ TabcontrolTop

Controls

image.prntscr.com/image/a31638cbdeef4cf69464158ee4d5b369.png

Preview [.gif]

image.prntscr.com/image/2a371e952819452d90cf2493e6e0ae29.gif

Requirement: Theme Base 1.5.3

VB.NET: pastebin.com/GS9Hh7Wx

Download

Pasbin: pastebin.com/CP3ZPT5m

Credits

Thank to ZerO for his textbox,button

Thank to AeonHack for his ThemeBase

I might add another controls ex. contextmenu,progressbar,checkbox,etc. later. if you guys want.. ?

Thanks for the image ?

Hopsin - June 30, 2016, 3:06 pm

First thanks for sharing but whats the difference between your steam them and those steam themes previously released? Thank you!

<https://hackforums.net/showthread.php?tid=4954112>

<https://hackforums.net/showthread.php?tid=1690854>

Or steam theme maker..

<https://hackforums.net/showthread.php?tid=936846>

Have a nice day buddy!

cristlol - June 30, 2016, 3:26 pm

difference is there no tab controls

sorry i didnt read those threads excepted

Quote:hackforums.net/showthread.php?tid=1690854

i confess i was copy his textbox and button but i'd edited colors and font and drawing corner

but tabcontrols both of them(side,top) i coded it by myself. didnt copy those haven't seen those threads even

btw im still newbie to coding theme i did released this just wanted to share didnt check properly there already releases

Which is why you should be giving credits to the original makers.

You should switch from Themebase to [MintUI](#). It's newer, better and easier to use.

Just an idea, how about you check things before you make comments. The first two links you provided do not have the tab controls, and the third link has absolutely nothing to do with .NET themes, it's to change the theme of the actual steam client.

cristlol - July 1, 2016, 2:24 am

alright thanks for you recoment i'll try later ;)
