People who don't have a light sense of humor will probably freak out about this movie.

It seems like a pretty funny movie though, reminds me of Bad Grandpa.

I watched it Yesterday since I'm studying German. It's pretty good but kinda cringy at the same time. It's on Netflix.

I just read the book, it was really funny and definetly a recommendation! Hopefully the film can keep up with it.

Trying to look for a copy that I can download n shit. Lol

So I can watch when I go to bed tonight. lmao

I laughed when watching the trailer. lol
