Thread: [Partner allowed to maintain thread whilst I am on holiday?](#)

Rubixa - July 1, 2016, 5:16 am

So I have a thread, not going to link it as it may be advertising in a different section etc.

But I am the host of the thread and in charge of it all etc. but I have a partner [Y2J](#). that handles the thread as well, but I wanted to know if I take a vacation ban as I am going over seas in a couple of weeks would my partner be allowed to maintain the thread whilst I myself am actually vacation banned?

sorry if this is the dumbest question ever..

Unless it's in the SST section then you should be okay.

Okay thanks buddy appreciate it. I'll wait for some other answers to this as well, though.

I'm not 100% sure,

I know you're not allowed to in SST.

In SST you're not supposed to have a l33t partner at all.

I'm going to say yes, as long as it's not SST

Yeah I couldn't find anywhere for an answer on this one and didn't deem it something worthy of a PM to the owner.

Ah, well it's not in that section and we are both l33t ?

You should be good to go then.

You should be fine then.

Don't worry. I'm sure a staff member will pm you guys telling you it's not allowed, if it's not.

Okay man, much appreciated for your help.

Closing thread as I'm sure I have my answer. I've noticed staff have re-opened threads before and put their comment in as well so please do so if you have anything to add Omni, Sam, King, Skorp.
