So I was talking to this guy, finally dropped the big question that I was selling and he seemed pretty legit so far, but this is one of the funniest excuses I have ever seen.

Why can't there be more quality people like this?

Vassilios - July 1, 2016, 1:58 pm

Did he seriously think that you would believe this? Hahaha

Well, time to block and move on honestly.

I can't tell you how many stupid people I run into whilst doing this, although I've been pretty good at catching them before I waste my time on them so I can spend my time actually making money with other people.

The Casual Savage - July 1, 2016, 8:35 pm

Hate people who do that sort of thing.

Xkhangle - July 1, 2016, 9:35 pm

This happens to me everyday!!! I hate it soooo much
