Thread: [\[FREE\] FAST PHONE NUMBER VERIFICATION SMS \[INTERNATIONAL\]](#)

?Businessman™ - July 1, 2016, 7:29 pm

I have recently purchased a USA Number.

This is free for everyone to use as I only have it for 10 days so I may aswell make sure of it, if there's a high demand for this service I may buy another one for you guys to use.

I can receive any text confirmation codes, but I cannot send any.

The number to use is: +15092054188 - Just PM me if you want to know the content of the message :)

If you need phone number to confirm anything for you, just PM me and I will then send you the contents of the message.

I'm always online just hmu with a PM or add me on skype.
