Of course, I understand. I am doing the service for another Uber right now but I would personally suggest using an alt account as there is always the possibility of getting banned. It is your choice though.

Zexo - July 2, 2016, 5:02 am

How much swag can I get with that many money and will it make me get more penguin bitches?

4158996621556 - July 2, 2016, 5:03 am

This stuff is available for free online.

Also I don't think you'll be able to make CP business on hackforums..

You can get tons of swag but most of the swag is for L33T penguins which you have to pay for. If you try to get bitches you will probably get banned for your vocabulary but technically bitches love dough. ?
