Thread: [can someone pls crypt my server for me?](#)

?????? - July 2, 2016, 9:02 pm

i don't have much pc access atm and don't want to buy a crypter for this one time experiment, can someone (preferably trusted) crypt my rat for me? would be nice if it was FUD but ill take what i can get. would be much appreciated.

You could try Visual protector, it's free but not FUD.
Or you can try to get cryptex (also free) but that isn't FUD either.
