Great first episode. Definitely not a wasted episode. Very nostalgic seeing this. Great animation and I love the incorporation of blood now.

I'm surprised to see most of the characters still sound the same, even though every single character had an actor change. Only a couple characters have sounded a little different so far, that including the main character Allen Walker who doesn't sound like a little kid anymore.

Spoiler ([Click to View](#)) Holy fuck the end to that episode though. Did they really just kill Cross off?! It kind of sucks though but I'm going to need to go back and re-watch D.Gray-man to get a full understanding of the story again.

Dark_Sniper - July 7, 2016, 8:13 pm

For sure have to go back and re-watch the original run. I'm so lost... it's been like 8 years or something.

Chips Ahoy McCoy - July 8, 2016, 9:13 pm

Yoooooooo, I can't wait to watch this! I loved D.Gray-Man so much back in the day. I still remember that damn cliffhanger they left me on to this day.

Mafty Navue Erin - July 12, 2016, 9:11 am

Great new episode. Finally we get to see some action.

Did a bit of digging though and found out Hallow most likely won't be the anime finisher. I'm going to wing it and guess that Hallow will cover at least these next 2-3 arcs. Which should be enough to bring it on par with the manga or damn close. After that I'm guessing we'll see another new anime season that covers anything that happens next. Pretty good to know the story isn't finished yet. Makes Hallow being only 13 episodes a lot less disappointing now.

Mafty Navue Erin - July 20, 2016, 12:28 am

Holy shit! Amazing new episode. Loving the animation.

Spoiler ([Click to View](#)) That new character Timothy is pretty cool. I really like his Innocence ability.

HOLY SHIT though. When Allen partially transformed into the 14th I about lost my shit.

Good news for dubbed viewers though. FUNimation has purchased a license for Hallow. Not only that but they also purchased a license to dub the last 52 episodes of the original series.

Mafty Navue Erin - July 25, 2016, 9:18 pm

This episode gave me a headache. There was too much information for my brain to process. I do like how we finally get to see all the Noah clansmen though. What the fuck is up with Tyki's new design though? He's the only character I wish would've kept the old design.

Welp looks like we're entering the Third Exorcists/Kanda arc now.

Mafty Navue Erin - August 2, 2016, 1:18 am

Okay this episode was lit af. That moment when Spoiler ([Click to View](#)) Allen went full Noah and declared his plan to become the new Earl was intense.

Mafty Navue Erin - August 9, 2016, 6:54 am

I always thought Kanda was a dick, but now I have a new fond respect for him. The Second Exorcist plan was fucked up.

3v3ryManJack - August 11, 2016, 12:57 am

OMG yes finally this is out! it has been a while and I really lost hope there until I saw the announcement. I just hope the story line keeps going strong.

Mafty Navue Erin - August 15, 2016, 2:07 pm

Another good episode as always. I can't wait to see this battle. It kind of sucks but I was looking at the story arcs and it really doesn't seem like we'll see another season animated for a while since the manga is not too many chapters ahead. Nonetheless I'm glad that I'm getting to watch this right now.

I just wish more AA members appreciated this anime.

lovrinjo8 - August 16, 2016, 6:31 am

i don't really watch anime i am more of a pokemon guy

Mafty Navue Erin - August 22, 2016, 9:51 pm

I seriously can't control myself right now. Newest episode was so intense. I love Alma Karma's character design. I also flipped shit when Spoiler [\(Click to View\)](#) Allen transformed again.

Also I get goosebumps every time that opening starts.

Mafty Navue Erin - August 30, 2016, 3:17 am

Some questions were answered this latest episode. That Kanda x Alma moment was pretty gay though.

Spoiler [\(Click to View\)](#) Even though their original selves were male and female, that dying moment was still pretty gay lol.

It was pretty sad what happened to them though. Respecting Kanda more now.

Sucks that Allen Walker is getting alienated by that Hitler-looking guy though. All these Crows are cunts.

Fidel Castro - August 30, 2016, 3:33 am

One of my top anime in my mega-huge list, I'm inlove with the series, i get so hyped when i watch them though.. <3

Btw watching the 9'th episode now, would definitely recommend the anime to people that have a good taste :)

~Cheers!

If Lenalee and Allen don't bang by the time I finish the original series, I'm not watching the sequel.

ripmchen - August 30, 2016, 7:07 pm

How many episodes will this series have. I watched all the episodes for the old one, I wonder if they'll do the same.

13 unfortunately. Hopefully they decide to animate more arcs but right now the manga is not too far ahead.

CorrosiveBlueberry - August 31, 2016, 9:15 am

I had put off watching the original series for so long, and because of the sequel coming out, like a month ago or so i binge watched all of d.gray-man minus the fillers. and now hallow, its all pretty decent/good. I enjoy it quite a bit. There's been slower and not as fun parts, but i watch more anime than any normal person should and i also watch alot of shows that have been less fun than d-gray man at times. Lately i've been binge watching detective conan which is great at sometimes but then boring as hell at others. You have to wait 50-100 episodes sometimes until the main plot comes again while your waiting for the bad guys to show up.

Mafty Navue Erin - September 5, 2016, 9:14 pm

Newest episode was okay. Nothing too exciting except Spoiler [\(Click to View\)](#) that cardinal and Allen's transformation. Allen's transformation always gets me. And from the previews to the next episode it seems like this cardinal was the one behind shooting Cross.

Ang?I - September 5, 2016, 9:18 pm

Just started this yesterday since I finished the original and holy shit everything is so different. The change in animation and voice actors are noticeably different so it's just a weird transition altogether.

I prefer the original at this point.

I feel you. It definitely is a weird transition if you watched all 103 episodes. Thankfully at least the characters still look and sound similar to their previous versions. At this point I'm just happy to see it being animated again.

Ang?I - September 5, 2016, 9:59 pm

Oh I got over the Lennalee thing as well. I still like her but I'm all about some Allen x Road(one of the few character design changes I'm actually a fan of).

Sparkfear - September 6, 2016, 8:13 am

D.Gray-Man was one of my first animes many years ago, I'm so thrilled about these episodes.

sercan68 - September 7, 2016, 11:30 am

Everything going so fast on this anime i wonder what will happen at final..It seems like the 14th will take over control but also allen will be alive its so complicated

I've always been a fan of her character design, but her hair looks a lot better now.

Ditto to that!

I kind of accidentally spoiled myself about the finale, but I can tell you that it most likely won't be the end to the series. I assume the anime will finish with this arc preluding to the current arc the manga is on. We just most likely won't see another anime again for a while.

Mafty Navue Erin - September 16, 2016, 8:21 pm

Newest episode was good. Didn't get around to watching it until today though.

Spoiler ([Click to View](#)) I have to say that the story is progressing faster than I thought. So I was right about the anime ending around where the manga is at. I still don't know what happened fully though. That cardinal being innocence was kind of mind blowing. After all this time I still want to know exactly what this "heart" is.

At least it was cool to see Road and Tyki show up. I really do hate how Tyki looks now though. Really should have switched designs with that other Noah that looks like the previous version of him.

Oh well, at least Road is still cute af.

Fidel Castro - *September 17, 2016, 12:12 am*

I'm officially shipping Road x Allen, and yes latest episodes turned out so hard, im getting a purely boner watching it..

Mafty Navue Erin - *September 19, 2016, 7:05 pm*

Pretty good episode. I absolutely loved when the 14th's song was playing in the background. Last episode was making me feel some Allen x Road action, but this episode I'm definitely shipping Allen x Lenalee again.

It really sucks the anime is going to end again next week. I hope that we'll see more again in the future. Let's just hope it's not another 9 year wait, but the author does not seem consistent with the manga so it seems it might be a long wait regardless. Though I think it might be possible we'll see another season at most before the wait since there is just enough manga material left to make another season.

Mafty Navue Erin - *September 27, 2016, 2:26 am*

It makes me sad this ended again. It makes me even sadder than it might be another nine years before it comes back. Oh well, I'm just glad that I was able to see this much happen. The ending was pretty good for it.

skelly76 - *September 27, 2016, 11:51 pm*

I saw the prequel, this is on my watch list as I remember the first to be decent.
