Hello i have been scammed by 1kodak uid=2843420

<https://hackforums.net/member.php?action=profile&uid=2843420>

this is about currency exchange , i selling the bitcoin to his brother skype id = slayingsuspect but i want to confirm i ask him to send message to my id and he used id kodak and tell me 1kodak is his brother.

Here this is my conversation with his brother

and then this is i ask him(slayingsuspect) to confirmed on HF used id 1kodak

and i ask to 1kodak whether the slayingsuspect is his brother

to want know full story check on this <https://hackforums.net/showthread.php?tid=5326979>

Can confirm this is legit, although I seriously doubt it's Kodaks "brother"

It's obviously Kodak trying to get away with his scam.
