Thread: [\[BFG\] Big Fuckin' Group | LEARN TO MAKE 2K A MONTH](#)

Widow's Peak - July 5, 2016, 1:03 pm

I'm making a new group. I will be the sole leader.

By joining this group you can ask me questions about: Cybersecurity / hacking
Stocks, options, and investing
CPA, SEO, and Affiliate Marketing ([like this but free for group members](#))
Or just discuss shit if I'm not there

To join this group, fill out the small application below. Then, join the [discord](#). If you are not accepted I will kick you.

Application:

Do you have a mic?:

I do.

Did you join the [discord](#)? (you better fucking have):

No but I'll fight you if I have to.

Faith Connors - July 5, 2016, 1:17 pm

Skills: Running kinda fast for short periods of time, ability to drink 4 redbulls in an hour without going into cardiac arrest, can cook minute rice in 58 seconds, basic scripting, mspaint drawings, decent at finger drumming, can speak 3 languages (English, French and Polish, read/write/speak all of them, test me if you will.) and basic communication skills.

Hobbies: Making music that you probably won't like, working to make money legally. Some very casual gaming and trading goods over steam to attempt to make profit.

Age: 17

Language: Englando, but google translate can go pretty far too.

Do you have a mic?: Indeed, an AKG C1000s

Did you join the [discord](#)? (you better fucking have): I will if I'm "accepted" into your posse. I normally don't use Discord because none of my friends want to, but I will for the sake of this group.

this was a big fail. i thought hf members were motivated to learn but the issue was no one would teach them. after only three peopel have joined my group ive decided to just give them each \$300 btc rather than teach them.
