Thread: [Creating Websites For You!!!!Cloning Websites Too!!!](#)

Blady - July 10, 2010, 10:28 am

I will create any type of website for you. I need money urgently so i will only be charging \$10 and only accept payments via Alertpay.

- You must have a domain name
- Have hosting

Just tell me how you want your site to be and i will do it.

- I can do forums
- Chatrooms
- Wordpress
- Social Networking Sites
- And more.

I can also clone a website that you like.

Do you have vBulletin v4 non-nulled files and license?

Blady - July 10, 2010, 10:42 am

No sorry all of them are nulled

Can you get something like the full version of internetometer.com or dragonadopters/any adopt a effin pet.

Something that has to do with traffic. :)

Thanks

I am sorry i don't understand you. Do you want a clone of those sites?

Uncle Drew - July 10, 2010, 11:00 am

Something like that. All clones sent to me aren't functional.

So yeah, i'd like a FUNCTIONAL clone of those sites.

Blady - July 10, 2010, 11:16 am

I just pm'ed you

Can you clone this site? asiantown.net
but need it written/coded in php

.illogical - July 10, 2010, 11:11 pm

Just made a deal with Blady, seems to be a great individual and knows how to create websites.
Will update later :)
Vouch for now!
