I prefer the sentence: "you are stacking".

Even if he's 40 years old, he's making \$200k in less than a year, which is really amazing. He'll reach the 400k this year, I bet he does!

Nice work Infamy and I'll PM you my PayPal for a donation hahaha ?

Evanescence - July 6, 2016, 7:51 am

Bluffer - July 6, 2016, 12:49 pm

You guys really think he is going to tell you how he's making nearly \$200,000.00 a year? If it is real then there's no way he will tell anyone.

It's likely doing something illegal anyways.

Not at all, he sells and buys virtual items. He runs a site similar to OPskins but for a different game where people can buy/sell items.

Very solid earnings there sir! Keep it going :)

Just wondering, what script/CMS you use for your store for selling the stuff that you are? I am sure you aren't just selling all the Virtual items manually to each buyer.

I don't know why that happens to be so controversial, so I'm putting it here so you fucks stop arguing over it in my threads.

No, I don't need a partner.

No, I don't need to invest in anything.
