Thread: [PayPal Secrets / How to unlimit your account / Lifting your limits / And much more /](#)

Black Shadow - July 6, 2016, 3:25 am

PayPal Secrets

There are many guides around but this is the one you need, I had a friend who worked at PayPal who helped me make this.

This ebook has 5 sections in it that explain everything you need to know

Inside information

Avoid Limitation

How to lift your limits - Hot

Verify Your PayPal

Withdraw Money With no bank account

And so much more

Here you can download your copy of the ebook

All as I ask is that you leave a reply to keep the thread alive

(Jul 6, 2016 04:01 AM)O•••tto Wrote: [\[CITE\]](#) Grammar: 5/5

I didn't see any grammatical errors within this eBook. Very well written and detailed.

Content: 4/5

It's a lot longer than what I was expecting and goes very in-depth on all the information. However, I would have loved a bit more information on disputes/chargebacks.

Overall: 4.5/5

If you are looking for help with your PayPal, this is the perfect eBook for you.

When I saw this I was actually really surprised especially since I've ripped Blackshadow apart multiple times over his Bustabit script, so this definitely caught me off guard.
Just an overall helpful informative eBook.

In all honesty, I believe that the price for this should be a higher this is a great eBook and I can't recommend this enough.

(Jul 6, 2016 04:09 AM)Mank Demes Wrote: [\[CITE\]](#) I received this in return for a detailed vouch so here is my input.

The grammar of this was very good, there was only one part I couldn't understand.

This had a lot of information, it has details on limitation, charge backs and disputes. But these things are very basic and something you should already know.

I rate the book 5/10 it lacked a little info but it had information that everybody already knows. The price is good for the quality of it I guess.

I recommend this book to a user that has just created a paypal account or wants to create one.

glws

(Jul 6, 2016 04:41 AM)Aggron Wrote: [\[CITE\]](#) I've recieved a vouch copy and honestly I thought it was going to be one of those shitty ebooks, but it was detailed and easy to go trough.

Great support too.

(Jul 6, 2016 05:06 AM)ParadiseDealz Wrote: [\[CITE\]](#) Content: 9.5/10

Everything is detailed explain which i never ever have seen in HF well as online to prevent paypal from getting limited this ebook content in depth of paypal rules clear way and how to prevent your account getting limited bypassing them

Grammar 9.5/10

I didn't find any grammar mistakes at all everything detailed

Overall: 9/10

If your really want to prevent your account from getting limited this is the perfect ebook i can vouch for this well as highly recommend .

(Jul 6, 2016 07:19 AM)Drug Problems Wrote: [\[CITE\]](#) Alright I was given a vouch copy and I will review it.

This E-Book literally covers everything you need to know. Sure there is information that just uses common sense, however there is a ton of information in it that isn't really known. Black Shadow goes in-depth with every detail. I can also confirm that the method within the E-Book to confirm your PayPal does work. This E-Book is actually pretty high quality and I can tell he spent a lot of time making it. He tells you how to use PayPal anonymously and not get locked out and so much more useful information. I can't express how detailed the E-Book is. I would not hesitate to buy this E-Book. You will learn a lot of things and how to take be one step ahead of PayPals system. I am glad I got to receive a vouch copy

E-BOOK RATING: 9/10

It was super in-depth and overall an amazing E-Book. Could of used a better layout but none the less it has everything promised and more.

(Jul 6, 2016 09:34 AM)That Guy Maxim Wrote: [\[CITE\]](#)

Look you know nothing about me so just stop getting involved.

M?xim - July 6, 2016, 9:34 am

Review of Black Shadow's ebook

This is definitely a great ebook which covers what is promised. I did not have time to read all today, but i've read a great part which is enough for me to be able to vouch for Black Shadow's ebook. If you are ewhoring and dealing with Paypal a lot or just make a few deals through Paypal here and there, you should definately invest in this ebook. It is cheap and keeps it word.

I will not comment about the grammar of this ebook due to the fact that english is not my native, but so far I could not find anything that is off.
