Since no one actually cares about these you should add a twist to it, post fake facts instead to make people angry which will make people post.

First of all,thanks for rating the thread.

I know not many people care about this,but posting fake facts to get posts? oh hell no i am not that type of a person who would give people such fake knowledge.

I make these FOTDs for people like you to enjoy and benefit from it.

Adding a twist to the series is not easy and might not affect the type of audience that i would be getting.

I tried to make it look better,i tried to put more pictures... nothing worked.

1 Day the series will become well known,i have hopes.

Thanks for your reply???

Mmmm I have no idea... series (except the HF news) aren't really popular. Hence why I have no idea.

If i did FOTD on any other forums,perhaps even reddit.

It could have became popular.

But don't worry,i promised that it is going to be a HF exclusive.

I will continue making FOTD for hf members to enjoy and once i get an idea for a new series,i will make it.

Thanks for trying to help me,thanks for your reply. really appreciate it.?
