Thread: [Has anyone ever bypassed Ub3r Perm Denial?](#)

labroca - July 8, 2016, 7:23 pm

Hello dear friends,

I want nothing more in this world than to be an Ub3r member on this forum. I am just curious, has any member here successful become Ub3r even after being permanently denied? (Ninetales and Orgy was)

Any tips and tricks you may have found would be greatly appreciated my friends!

Pew ? - July 8, 2016, 7:24 pm

Orgy has yes.

Honestly, if you're on the forum long enough and you don't get yourself into trouble he might have a change of heart.

johnnathontaylor - July 8, 2016, 7:24 pm

how does one even get perma denied?

I was denied in 2014, but I am on Omniscient's ignore list. So that cannot be good.

Some members Omniscient just feels do not meet up to the Ub3r application, but I do not see why I was banned. Not questioning it, just wondering if it is possible.

Good luck in getting UB3R buddy but the best suggestion I can give you is to change the way you post if you were perm denied it was done so for a reason. Improve your posting quality and stay out of trouble also help members and contribute that might put you on track of being approved.

i've been waiting for omni to give me my ub3r back for years

I really appreciate your response my friend. Is there something appalling with how I present my online identity? If so, I would like to have it pointed out for betterment.

It appears he used to be a flamer in his reputation. I would like to know as well my friend.

mass gang rep (primarily on now banned scammers) and severe trolling or whatever. omni banned pretty much all of my friends and only let me back

Your username starts with a lowercase letter.. Why do you even make this thread?

Just kidding mate. As I consider myself an old fag, I've seen many come and many go.

One tip I can give you is..

Money making ebooks leave a good impression on admins ;D

I cannot tell if you are joking or what. I use a lowercase p for a reason.

My apologies, I do not wish to profile you. You seem like a really cool member in my honest opinion.

I modified my post about you to this:

It appears he used to be a flamer in his reputation. I would like to know as well my friend.

todo2020 - July 8, 2016, 7:36 pm

orgy has been ub3r like 20+ times, he has been closed 20+ times and opened 20+ times.

I was just joking, lol.

Everytime I see one of your posts in other threads, my brain thinks you are a regular member :/ ldk, maybe it's the --'s under your name.

What is the reason behind the lowercase p if I may ask?

I appreciate you for pointing that out. It looked weird with nothing, and it is my group's branding description.

I don't think there is anyway unless you get in contact with omni.

Being a little rude to new members probably isn't going to do you any favors either.

Keep your nose clean and you'll have a good chance.

Didn't you just answer your own question in the question?

Mr. Robot - July 9, 2016, 3:39 am

I thought I would be perm denied as I applied a few days ago.

I guess it just comes down to what Omniscient has profiled you as. If you impress him, he may consider changing his perm deny on you I guess? Can't put words in his mouth but if he has done it for other users, he may consider it for the right reasons on yourself.

Just donate a lot of money!!

WebGuard - July 9, 2016, 4:03 am

i hope u get ur problems fixed op !

Arrogance - July 9, 2016, 5:09 am

Ub3r is like anal sex. The day you deserve it, it will knock at your door, and you will have to happily accept.

Talu - July 9, 2016, 5:28 am

Nope, unfortunately once you are perm denied, that's that usually. Orgy was already ub3r, so he doesn't count (he was still an exception and had to wait 3 years or something). Not sure about Ninetales. Maybe if you donate for MD and the purple diamond, you may convince Omni to change his mind ?

'Suicide - July 9, 2016, 5:29 am

Ninetales

Orgy

and one more person bypassed it

Ha Haaa - July 9, 2016, 5:30 am

Gonna ride Omni's dick. Its not like he'll change his mind without riding him.

KneeGurKiller - July 9, 2016, 5:30 am

Donate much and you will never get banned cough Funtage cough

I have donated about \$300 so far, but it's not about money imho.

Acceptable - July 9, 2016, 9:33 am

I don't know if you can bypass it and it's weird because other members who have been here longer than me were denied. While I was accepted.
