Thread: [The First thing a hacker should Learn](#)

linuxwire - July 10, 2016, 6:43 pm

I will package all my lessons in one Mates.

Thanks for the advice.

YayHar - July 10, 2016, 6:44 pm

Good tip, but not worth a thread.

spooky hacker - July 10, 2016, 6:45 pm

All this training for nothing, I've forgotten the golden rule... All stores closed, cannot be a l33t hacker for tonight.

Rugaru - July 10, 2016, 6:49 pm

Haha been practicing this rule for the past 2 years, our school gives us laptops that the police have access to and can watch us anytime. So everyone at school uses sticky notes and tape.
