Thread: [What does prestige means ?](#)

TheGGatsby - July 11, 2016, 11:37 pm

As the title says, thanks in advance.

Evanescent - July 11, 2016, 11:51 pm

This will help you out.

It's a scientific formula created by Omniscient to determine your worth as an individual and how much he loves you.

It's worth adding that non-upgraded members need at least 25 prestige to post in Science, Religion, Philosophy and Politics. Some others may also have restrictions but I'm not entirely sure about these.
