Thread: [\[Streaming\] Stream is Live Stream Back Up! \[Streaming\]](#)

SuicideTheet - July 12, 2016, 7:20 pm

Streaming now <https://join.me/streamtimeew> Goal is \$50+ For all who attend or plan on attending will have their name placed in a raffle. There will be 3 raffles total all simultaneously.

1st place unsaturated Ewhoring Pack that I had intentions on using- just haven't had the time to sort the pictures due to making consistent money with the one I'm using.

2st place \$25 Amazon Gift card sent right to your PM.

3rd place Mentoring by yours truly for 1 hr or until your first profit after that i'll continue to mentor you after your free hr, but for only 40% of your earnings.

To enter in this raffle, simply post your name below that you are actually going to attend, and once the stream is up, on the join.me chat simply put "yourname"-was here. And I will update this thread with the list of names of all who are entered. I will assign everyone a number, and a random number generator will be used to determine the winner. (will be streaming this too ofcourse) This raffle will take place upon the completion of not this stream, but the next one, all who attend that one, will also have a chance to win the prizes.

Stream will be going up in about 15 mins. Goal is \$50+ Link to tune in: <https://join.me/streamtimeew>

Last stream was awesome, had some cool people join and had some cool raffle giveaways. This stream will determine the giveaways for the stream later on tonite; more than likely a \$25 AGC or \$15 Gift card of your choice, 1 on 1 mentoring with yours truly, lastly I'll take ideas for a 3rd place prize winning. So post below what you think or in the join.me chat here :
