Thread: [Simple Logo Design Request](#)

Ninja. - July 13, 2016, 3:41 am

Hey all,

I want a simple logo that says "KAPE" and looking for something like these:

tech:

http://fc04.deviantart.net/fs50/f/2009/314/1/2/tech_logo_by_Color_OK.jpg

highwire:

<http://www.fuelyourcreativity.com/files/21-50-high-tech-logos.jpg>

eagle tech and viking:

http://oneluckyguitar.com/wp-content/uploads/2011/09/NewTechLogos_5002.jpg

airbnb:

<http://static6.businessinsider.com/image/54a2cf31ecad04e514ce4468-1190-625/the-worst-tech-logo-changes-of-all-time.jpg>

I can pay you \$5 paypal if you want if you can make few concepts, just PM me :P?

The funny thing is that the title of the last image is literally: "The worst tech logo changes of all time".

What would you like to be in the logo? Any specific colors/fonts/themes?

Haha. True but still does the job hehe. In Regards to your question I dont have any preference to fonts. However I am thinking of Black and pinkish kind of theme?

something like this:
