Prom?nent - February 6, 2017, 3:37 pm

This looks interesting, I'll check it out. ?

darkend - February 6, 2017, 5:23 pm

Still got more testing to do but so far i've made decent profit.

Deposited £13 and turn it in to £42

Spoiler ([Click to View](#))

Will post more updates tomorrow ?

EDIT

Coming to the realisation that these methods are actually worthless... Yes I made profit at the start but its pure luck just like anyone else who plays SatoshiMines. You can't outsmart a completely random system.

Not trashing sales either just my opinion
