Thread: [Pokemon Banner and Pokemon Award!](#)

Mr Kewl - July 15, 2016, 1:00 pm

I honestly think this the best banner of Hackforums and Pokeball is the best award.

Cheers.

Pew ? - July 15, 2016, 1:01 pm

I actually like it. It's a nice change.

It's a nice change indeed. I'm not a huge Pokemon fan, but I see a lot of members making threads and commenting on various aspects of the game. So, it definitely fits the current trend!

Inmodwetrust - July 15, 2016, 1:02 pm

Ewwwww, I can't say I'm too fond on it. Although I do like the Pikachu.

Gary - July 15, 2016, 1:02 pm

From a graphical standpoint, looks decent. The idea of giving PG more attention, meh. Maybe I should just take a one year break from electronics and society in general. That might be the only way to avoid it.

Everything in that thread is completely mad. I think it's good that it's not openly visible.
