This is a very smart thing Shay, as I know there are no discord groups for Pokemon so great idea. I will make sure to join this for sure!

Mr. Corleone - July 15, 2016, 5:01 pm

Mwehh, I mean..

There isn't really something active to talk about when it comes to Pokemon Go.

It's a game you play outside, so yeah..

But still seems fun, but I don't have Discord.

sHAY - July 15, 2016, 5:04 pm

Already seen a lot of new people in the discord! Its pretty fun to see new people here. Lets make this group big! Cool things will come in the near future.

MrARM - July 15, 2016, 5:07 pm

This will get spammed. Just a warning.

That's okay. That's what Discord is for. If anything just ban the people that are actually spamming.

Walt Disney, you were just a bad troll, and you didn't expose anybody, you just started blaring music over your microphone after 40 minutes of listening to us, like the l33t tr0ll3r that you are.
