Steve - July 18, 2016, 8:11 pm

Hello, thank you for hosting this giveaway!

I believe I meet all of the requirements for this. As for the 2 different ISP's and 3 different IP's on my trust scan (0 matching), I am currently out of state being housed in an apartment at Iowa State University, and working in a building on campus so I have been moving my computer around a lot.

Here is a good song with a sick drop:

My question is why you're posting a giveaway instead of playing Nexus Siege.
