Thread: [Do you have any goals?](#)

Gary - July 16, 2016, 5:24 am

My goal is to capture all the Pokemon with evolution versions...

For example

I want a magikarp and gyarados

Charmander > Charmeleon > Charizard

One of each.

What about you guys?

DumpCake - July 16, 2016, 5:24 am

My current goal is to get the Pokemon Go badge, but beyond that I would like one of each pokemon in the pokedex.

minimalist - July 16, 2016, 5:25 am

I just need a Blastoise, Gyarados, high level Vaporeon, and then I'm set.

I'll get multiple of each as I progress.

Mr.Peanut - July 16, 2016, 5:25 am

Almost started posting life goals and saw this was in the Pokemon Go section lmaooo. I want to get a Rare but who doesn't. I don't really have any other goals lmao.

2Chewz - July 16, 2016, 5:26 am

I want to have 6 core Pokemon at 1.5k CP and then another 8 at 1k to defend gyms.

:)

Knucklez - July 16, 2016, 5:29 am

Pokemon wise, I want Charizard and Blastoise.

My other goal is to take over the gym that is literally on my block. I've never fought a gym yet but I'm getting high enough where I could compete.

It's kinda insulting that I don't run my block.

You don't want venosaur, what's wrong with you? Are you some type of racist again grass types or something?

D3xus - July 16, 2016, 5:32 am

Try to complete the Pokedex as best as possible. Some Pokemon are specific to geographic regions around the world, so you might need to literally travel the world to do so, but it'll be fun. I'm game for the challenge.

If i can give you a tip, dont evolve it to a Wartortle, wait till you catch 1 yourself tahts high CP, or even a blastoise, if u evolve him now, you will see soon a higher CP Wartole or even a squirtle and then you wasted your candy.

I believe I've posted goals here before but I'll update them. Right now I'm currently working towards Gengar, Nidoqueen, and Nidoking. I should have them by the weekend. Aside from that getting my Pokedex to 100.

You have posted here before but new updated goals are great. I'm pretty close to a Nidoqueen ;x

Just be above average and not mess anything up big time.

My goal is to just not get such shitty Pokemon. I live in the middle of no where so I basically cannot really catch anything too good.

That's better than Charizard. That dude can't be beaten. Look at his Recover move. And it's not even fully evolved. Imagine what can Alakazam do.
