Meh I do recall there was another thread regarding the same topic. Probs buried in the last few pages due to the activity surge

D3xus - July 16, 2016, 6:09 am

Mystic is for the cool kids. I'll see myself out...

In seriousness, I mostly identify with Mystic because Articuno is a badass and most of my friends are on the team.

There's a tendency for that to happen. My thread is gone, this is the new teams thread.

Remix - July 16, 2016, 6:12 am

just joined team instinct cause my friends joined it
these fags, blue is cooler

FractumSeraph - July 16, 2016, 6:12 am

I went with mystic. Mainly because that's what all of my friends are one, but even if not I probably

would have choose it.

Instinct would be my second pick, even though almost no one is on the team around here.

Ooze - July 16, 2016, 6:15 am

I see everyone posting that they went with Mystic yet there are votes for Valor and Instinct, who are those idiots

Instinct! lol

Gary - July 16, 2016, 6:16 am

#TeamValor famerino.

I have nothing against you if you're on the other teams though.

Good luck with the gyms and stuff.

Maradonnie - July 16, 2016, 6:17 am

Valor FTW, pussy mystics.

BTCEXchangez - July 16, 2016, 6:18 am

meh, I'm kinda surprised how popular Team Mystic is tbh.
Normally it's Valor > Mystic > Instinct.
Looking forward to more people voting on the poll for a more accurate definition.

Aliasllias - July 16, 2016, 6:54 am

Team Valor, we have almost my entire city.

DumpCake - July 16, 2016, 6:54 am

I'm on team valor, just about all of PA is also. It seems like team instinct is the minority right about now.

SIM-403479 - July 16, 2016, 6:55 am

I'm in team Valor. I chose the team just because somebody I work with also went in that team.

We can go take out the gyms together and rule everywhere lol.

Valor ftw

Chrylix - July 16, 2016, 6:56 am

I'm in Team Instinct too! We're the best haha - but for real. Everyone in my area and my friends are Valor/Mystic, I'm just edgy and want to conquer all the gym's solo.

Formant - July 16, 2016, 7:22 am

Fuck yeah. I mean, between Zapdos, Moltres, and Articuno, it's obvious which one is better ?

But, Gyarados is a badass, I'll give Mystic that.

Vaporeon is a cutie as well. But even then, Jolteon > Vaporeon > Flareon.

It'd be sick if they implement Umbreon.

Grammar Rays - July 16, 2016, 7:23 am

Team Mythic all the way. Sorry!

YayHar - July 16, 2016, 7:24 am

This stuff right here, is what is stopping me from wanting to choose a team. This isn't a cult thing lmao, stop treating it like it is

Sarge - July 16, 2016, 7:25 am

I chose instinct because we are the underdogs. Instinct all the way!!!!

McDolands - July 16, 2016, 7:26 am

glorious team valor master race of course, why is this even a poll it's obvious which team is superior over the others

Formant - July 16, 2016, 7:29 am

If that's the case, then why are Team Mystic in the lead on the poll? tsk tsk ?

Regardless, Team Instinct > everyone else.

Mutes - July 16, 2016, 7:32 am

Team Instinct. I was Valor but then I restarted the game and made a new account. People at work convinced me to join Instinct so we can go take over gyms. We are the best tbh.
Most people seem to be on Valor though.

Clique - July 16, 2016, 7:33 am

I've only seen 2-3 people in my town that are on team yellow. :(

Formant - July 16, 2016, 7:49 am

People need to stop being fuckbois.

Team Instinct master race.

I'm like the only person on team instinct in my area.

Almost everyone I know irl is on Valor lmao. Fuck em.

King of Clubs - July 16, 2016, 7:51 am

Team Mystic over here.

I'm happy with my decision.

Meow - July 16, 2016, 7:51 am

Only 10 people in team Instinct so far, I'm dissapointed. #TeamInstinct

Where are my boys at, come on guys, get in team yellow

TheMTGuy - July 16, 2016, 7:58 am

Team mystic all the way! Only because my neighborhood is swarmed with it..

Zen - July 16, 2016, 7:59 am

Everyone in my area is red, and a small minority are blue. Have not met a single yellow lol

St0rm - July 16, 2016, 8:00 am

Chose Mystic randomly out of the 3.

Leader has the same name as my cat.

You randomly chose a team without knowing which you wanted to join before hand? smhhhhh

Senor Suave - July 16, 2016, 11:41 am

I gotta agree with with DamienVC, I think I saw a thread like this before but it doesn't matter.

I am a noob and I didn't even get to a high enough level to pick a team.

Ryes - July 16, 2016, 11:44 am

Team mystic even though sometimes I am not proud to be cus of the idiots in my area always getting in trouble, Tbh wanted to go instinct but my area was mostly mystic and I want them sweet sweet poke coins

Cam - July 16, 2016, 11:44 am

My whole town/city is ran by Team Valor, and my friends are all on the team as well. So it's only natural I pick the team to support my friends.

Vodka. - July 16, 2016, 11:46 am

Most of the gyms around my area are conquered by Team Valor. Team instinct are autists. Team Mystic isnt half bad.

#TeamValor

Hern - July 16, 2016, 11:47 am

I am team Instinct and feel alone.

It seems like I am the higher level and have better pokemon than most but it seems gyms get taken back in a matter of minutes everywhere anyway so it doesn't matter how good I get =/

Fliiix - July 16, 2016, 11:48 am

Team Valor (Red all the way)
mostly because many of my friends joined them.
I guess they will do so you can change team later(?)

Same here. Just about everyone I know irl is on Team Valor smh. But that doesn't mean you have to join them! You should have gone with Instinct! We are forever the underdogs!

Dood - July 16, 2016, 12:17 pm

Most of my town is run by Team Valor, so I joined them. Everywhere close to me is controlled by Mystic, though... ?

I'll have to make it a point to take back those gyms next week, though :P

MATT?HEW - July 16, 2016, 12:19 pm

I AM VALOR AND IM PROUD

if you aren't valor, you're doing it wrong my friend.

most people are probably blue though.

King Joey - July 16, 2016, 12:19 pm

I am on Team Instinct. The day it came out, I chose that team while I was on vacation. I came back home, surprisingly almost everyone in my town is on Instinct.

Knucklez. - July 16, 2016, 12:19 pm

Team Instinct.

Not supervised that it is also the least popular chosen team on the forum either. Literally no one in my town is team instinct.

O t t o - *July 16, 2016, 12:20 pm*

I don't know how you can call this an "Offical" thread but nevertheless, I've gone with team Valor.

Aura - *July 18, 2016, 4:47 pm*

Fucking Mystic is where it's at son.
